

Remarks

This is responsive to the Notification of Defective Response dated November 25, 2003.

There is submitted herewith a substitute Sequence Listing which corrects each of the defects noted in the PTO Notification. The substitute Sequence Listing is submitted in paper and computer readable form as required by 37 CFR 1.821(e). The content of the paper and computer readable copies are the same. No new matter has been added.

Submitted concurrently herewith is a Petition for revival of an unintentionally abandoned application.

A copy of the Notice is also attached as required.

In view of the foregoing, it is believed that each requirement set forth in the Notice has been satisfied, and that the application is now in compliance with the sequence rules under 37 CFR 1.821-1.825. Accordingly, favorable examination on the merits is respectfully requested.

Respectfully submitted,

Seishi KATO et al.
